## Unbroken Young Adult Adaptation Olympians Journey

**horse fact sheet - world animal foundation** - horse fact sheet the horse is an odd-toed ungulate mammal belonging to the taxonomic family equidae. the horse has evolved over the past 45 to 55 million years from a small multi-toed creature into the large, single-toed animal of today. **by chris van allsburg - the polar express** - because the story describes a journey with a clear beginning, middle, and end, it is an excellent story to use with younger children who are working on retelling a story.
